

Dear IVE Community –

While we are all trying to navigate these unprecedented circumstances, we are inspired and encouraged by the texts and emails from our IVE community regarding ways we can come together to support our students and families.

While energies are heightened– we want you to know that the IVE PTA is here to help our community in any way we are able. Though we are not able to meet at school or put on our beloved community events in person right now, please be assured that so much of our PTA work continues on, just in a different way. When we get to the other side of this, our PTA programs will continue.

While we cannot carry on with “business as usual” right now, we will try to continue to do things that can help us move forward. One of those is our fundraising auction, which raises critical funds for our PTA. As you know, this highly anticipated event was moved completely online and will begin this Saturday at 10am and run through Sunday, March 22 at 5pm. Please take a moment to preview our online catalog: <https://ivepta.schoolauction.net/ive2020/catalog>. On Saturday, you will be able to find the online auction via this same link.

Thank you for your continued support of IVE PTA. If you have any questions or feedback, please feel free to reach out. We hear it so often that it takes a village ~ we should all be proud of our IVE village!

Marcelle Waldman
PTA President
